

Public Summary Report DIH-HERO Technology Demonstrator Open Call 2022

Results of open call (DIH-HERO Technology Demonstrator Open Call 2022) for recipients of financial support

Project acronym: DIH-HERO

Project grant agreement number: 825003

Full project name: Digital Innovation Hubs in Healthcare Robotics

The DIH-HERO project, co-funded from the European Union's Horizon 2020 research and innovation programme under grant agreement No 825003, launched an open call (DIH-HERO Technology Demonstrator Open Call 2022) for recipients of financial support.

The call closed on 30th of April 2022 for proposal submission.

A total of 13 proposals from 13 countries were received. 5 proposals will receive funding for a total amount of 499,622 EUR. The evaluation and selection have been completed. The proposers have been informed about the evaluation results for their proposal for financial support.

Call information

The call has been published on the 1st of February 2022 on the DIH-HERO project website (www.dih-hero.eu) and has been sent to the EC project officer 30 days before the opening of the call to be published on the Horizon 2020 Participants Portal (<https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/opportunities/competitive-calls>) on the 16th of December 2021.

Full call details were published at: (www.dih-hero.eu)

Dates of call publication and closing, evaluation and selection

The Technology Demonstrator open call 2022 within the DIH-HERO project has been opened on the 1st of February 2022. The call has been planned to be opened for a submission period of 3 months. The evaluation and the selection of all proposals took place after the closure of the call.

Feedback process to proposers

All questions asked by proposers in regard to the Technology Demonstrator have been answered in the FAQ section of the website, in order to make the same information accessible to all proposers at the same time. The proposers were informed on the evaluation results by email. Additional information for the awarded third parties, regarding the further processes in connection with the Technology Demonstrator projects have been communicated via email and during a dedicated Kick-off meeting.

Call response in detail

	Number of proposals	Total Funding requested
Proposals received	13	€1,178,756
Eligible proposals	12	€1,178,756
Selected proposals	5	€499,622

Call publication

Different communication channels have been used in order to disseminate and promote the opening of the call regionally, nationally and internationally. Next to the publication of the call on the DIH-HERO project website and sending the call announcement to the EC project officer, 30 days prior to the opening of the call, for publication on the EC portal, the call has also been disseminated widely by the various DIHs and their associate partners throughout their network all over Europe, using various communication tools and channels. A non-exhaustive list of the communication channels is given below.

List of communication and dissemination channels to publish the call (non-exhaustive):

- DIH-HERO-website (incl. full call details).
- DIH-HERO open call online submission platform provided by project coordinators.
- DIH-HERO network (DIHs, associate partners, stakeholders, etc.)
- DIH-HERO newsletter
- DIH-HERO social media: LinkedIn, Twitter.
- Different fairs and other events where DIH-HERO was represented
- Editorials and articles
